AXMOUTH ACKNOWLEDGES BENEFactor RICHARD HALLETT WAS A SLAVEOWNER

AN EAST Devon historian has won a ten-month campaign to amend the thousand-year history of Axmouth Parish Church by acknowledging its most famous citizen and patron was a slave owner.

Tony Simpson was told by the Axmouth Parochial Church Council (PCC) they had re-written its official history just days before Christmas, recognising that Richard Hallett of Stedcombe House, its famous benefactor and former Mayor of Lyme Regis, was a 17th Century slave owner.

For ten months the PCC had told Mr Simpson that it saw no reason to change "a thousand years of history... the Halletts were great benefactors and deserved their place in the record of the parish".

Mr Simpson, who has given 50 talks on slavery across East Devon, has lobbied for the change since February when he spoke to the local Women's Institute after visiting Axmouth Church to view the impressive Hallett monument.

While he acknowledges that Richard Hallett was a benefactor he said this was not unusual among Devon slave owners and pointed to evidence that the Hallett wealth derived from slave ownership in the West Indies and slaves were brought to Stedcombe House.

In November Mr Simpson presented a paper on Hallett to the History Workshop in Exeter, organised by the University College London, in which he argued that it was time to acknowledge the Devon legacy of slave ownership in accordance with a Devon County Council policy he helped to write in 2007, the bicentenary of the abolition of the slave trade in England.

Mr Simpson, who is a member of Anti Slavery International, attended a major conference on modern slavery held by DCC, East Devon Churches and Devon and Cornwall Police at Sandy Park conference centre in Exeter, where he argued that slavery remained in part a symptom of historical attitudes.

Axmouth rector, The Reverend Kate Woolven, attended the same conference as Mr Simpson in September.

Mrs Woolven said: "What happened in the 17th Century, regrettable though it was, was of another era.

"The brief history on our church website mentioned the Hallett family as benefactors of the parish in the past but did not go into the details of their wealth. For the record, it now does."

Mr Simpson commented: "Christmas is the time of re-birth and reconciliation so I am delighted the PCC has made this modest but important change to the official history of Axmouth and I thank them sincerely. It is good for local history and for future generations."

Mr Simpson told *Pulman's View*: "It is important for future generations that we acknowledge the past

and learn from it. I am hoping the history of all 80 Devon slave owners, their property and any monuments can be recorded for posterity."

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

SOUTH SOMERSET £7.3 million funding cut for fire service

GOVERNMENT grant funding for Devon & Somerset Fire & Rescue Service will reduce by a total of £7.3 million by 2019/20, it has been announced. Ways to cope with the shortfall are set to be discussed by the Fire Authority in February.

The draft budget announcement indicates that the government has applied an 8.6 per cent reduction for 2016/17, which equates to £2.5million. There will be further reductions of 10.2 per cent, 4.3 per cent and 1.8 per cent in the following three years totaling £7.3million.

Chief Fire Officer Lee Howell said: "Clearly this will mean further significant changes to the way we operate as a service."

Changes to the Service's budget will go to the Fire Authority in February 2016.

There will also be a reduction in middle management, a new call handling system and a new shift system for whole-time firefighters.

The service will increase funding during the next four years for the replacement of operational vehicles and its ageing building stock.

From the deputy editor's chair Being impromptu is all very well...

WITH no New Year's Eve party to get ready for in the evening, I decided to spend the afternoon of December 31st on one of my occasional rambles around the beautiful East Devon countryside.

The weather wasn't great but it seemed like an age since we'd had a day without rain. And a drop of water should never hinder an afternoon walk anyway!

I set off from Axminster heading towards Membury, taking in Weycroft and Smallridge on the way.

Finding a different route or changing your mind where you're going is all part of a spur of the moment jaunt. So, seeing the turning for Churchill, I decided to head down into the valley before rejoining the 'main' road by looping round via a bridleway I'd spotted. So far, so good.

But after a half-a-mile or so down the path, the bridleway ended abruptly with no hint of those handy arrows nailed to the odd fencepost reassuring you that you're heading the right way.

Then the rain, which had been falling steadily

since I decided to 'off-road', got harder – and then turned into some very uncomfortable hailstones.

To complete the perfect storm, the elements finally got to my trusty old iPhone 4S, so now my lifeline (a/k/a Google Maps) was no more. But the hail would have made it pretty hard to see anyway!

The ever darkening skies made it look like sunset was coming two hours early so, cold, wet and virtually lost in the middle of a field, I admitted defeat and re-tracked my steps – always the sign of a poorly thought out walk – and headed home.

The moral of this story? Well, it's one I should have remembered from many years ago when I was in the Cubs... Be Prepared!

Maybe I should make that a New Year's resolution? Talking of which, Happy New Year!

AXMINSTER Queen's 90th to be marked with party

THE red, white and blue bunting will adorn Axminster town centre again this summer as the town prepares for another royal celebration.

The Queen's birthday is being marked with events in London on Sunday, June 12th but Axminster will hold its special day on the Saturday before (June 11th).

A special committee has been set up to organise a day to celebrate the Queen's 90th birthday.

Trinity Square will be closed to traffic for a street party in Silver Street with a number of other activities being planned for the same day especially for the children.

AXMOUTH Village recognises its past

AN EAST Devon historian has won a ten-month campaign to amend the thousand-year history of Axmouth Parish Church by acknowledging its most famous citizen was a slave owner.

Tony Simpson was told by the Axmouth Parochial Church Council (PCC) they had re-written its official history just days before Christmas, recognising that Richard Hallett of Stedcombe House, its famous benefactor and former Mayor of Lyme Regis, was a 17th Century slave owner.

The PCC had told Mr Simpson that it saw no reason to change "a thousand years of history... the Halletts were great benefactors and deserved their place in the record of the parish".

Mr Simpson told *Pulman's View*: "It is important that we acknowledge the past and learn from it. I am hoping the history of all 80 Devon slave owners can be recorded for posterity."

EAST DEVON East Devon council to modernise

NEW improved ways of working will make East Devon District Council a leaner and more efficient, modern authority, says leader Paul Diviani.

In his New Year message to East Devon residents, Councillor Diviani said the council would be "rising to meet the many challenges" posed by reduced funding and increased demand on services over the next four years by focussing on four main priorities.

"A friend of mine recently told me that when she first moved to East Devon to take up a new job, she thought she had died and gone to heaven," he said.

"Even now, having lived here for 12 years, she says she still wakes up every morning thinking how unbelievably lucky she is to live and work in such a wonderful place.

"East Devon inspires this level of passion in people and no more so than in myself, my fellow councillors and the officers of East Devon District Council. We are all passionate about the work that we do and, above all, we want to ensure that East Devon remains a fantastic place for people – like us – to live in, work, visit and enjoy.

"So over the next four years we will be rising to meet the many challenges that reduced funding and increased demands on our services brings. In order to make necessary savings of £2.6million, we will be using new ways of working... the latest technology and modern working practices. Our move from Knowle to new accommodation in Honiton and Exmouth is part of this plan and will help us become a modern day council in every sense of the word.

"Exciting times lie ahead for us and we are looking forward to working with you all to achieve the greater good for East Devon."

EDDC to become 'leaner, efficient and modern' over next four years

NEW improved ways of working will make East Devon District Council a leaner and more efficient, modern authority, says leader Paul Diviani.

In his New Year message to East Devon residents, Councillor Diviani said the council would be "rising to meet the many challenges" posed by reduced funding and increased demand on services over the next four years by focussing on four main priorities.

"A friend of mine recently told me that when she first moved to East Devon to take up a new job, she thought she had died and gone to heaven," he said.

"Even now, having lived here for 12 years, she says she still wakes up every morning thinking how unbelievably lucky she is to live and work in such a wonderful place.

"East Devon inspires this level of passion in people and no more so than in myself, my fellow councillors and the officers of East Devon District Council. We are all passionate about the work that we do and, above all, we want to ensure that East Devon remains a fantastic place for people – like us – to live in, work, visit and enjoy.

"So over the next four years we will be rising to meet the many challenges that reduced funding and increased demands on our services brings. In order to make necessary savings of of £2.6million, we will be using new ways of working, involving systems thinking principles and our 'WorkSmart' approach, which together harness the latest technology and modern working practices.

"Our move from Knowle to new accommodation in Honiton and Exmouth is part of this plan and will help us become a modern day council in every sense of the word.

"All of this will make us leaner,

more efficient and better placed to deliver the kind of service that we know you, the residents of East Devon want. We are keen to keep improving and to help us do so, we will be listening to what you have to say in consultations and through our viewpoint surveys.

Focus on four priorities

"Great services and great service, first time and every time, is the standard that we have set for ourselves. To do that we need to be bold, creative, open and innovative, but above all we must pull together as one council. These are values that set us apart and make the council a place where people want to work – in fact, over 93 per cent of our staff said they would recommend the council as a place to work!

"To help us deliver these aspirations, we have developed our new council plan, which provides a constant focus on four main priorities.

"We will be encouraging our communities to be outstanding, by helping them to solve their local problems.

"We also want to encourage people to live healthier, more active lifestyles through sport and exercise and to make the most of the wonderful countryside that surrounds us.

"We will continue to promote East Devon as an outstanding place in which to do business and we will strengthen the local economy by attracting inward investment and supporting businesses.

"It is so important that our natural and built environment is protected and we will be working to reduce levels of waste produced in the district, as well as controlling levels of pollution through education and enforcement of environmental legislation.

"We will be prioritising a culture of openness and transparency by

keeping our residents fully informed and we are fully committed to innovative ways of working and commercial thinking, including an improved digital service to give our customers the chance to self serve.

"But as we draw near to the end of the year, it is only right that I mention with great pride, a few of the many significant achievements that this council has made during 2014/2015.

"Top of the list of our accomplishments is housing. We have delivered a grand total of 388 homes for local people, which is our highest number of new affordable local homes in one year. It is our continuing aim to provide more good quality, local homes for local people.

"Homelessness in East Devon is extremely low thanks to our homeless prevention initiatives and we are working hard through our Empty Homes Plan to help owners of neglected empty properties in East Devon to bring their properties back into residential use, which will relieve pressure on the private and public housing sectors.

"Finally, it gives me enormous pleasure to say that the finalisation of our Local Plan is now within sight and we are anticipating being able to adopt it early next year.

"This detailed and robust document will help us deliver the aspirations and housing needs of local people, as well as land for employment. It will also help protect our beautiful countryside from unwanted and inappropriate development.

"Exciting times lie ahead for us and we are looking forward to working with you all to achieve the greater good for East Devon.

"May I now wish you all a happy New Year."

Seaton girl set for singing career

ELEVEN-year-old Seaton girl Phoebe Holmes-Simeon has become one of the youngest singers in the country to pass a Grade Eight with Merit in Rockschoo's Popular Music Performance Vocals Exam.

Rockschoo is a global, specialist contemporary arts awarding body.

Karen Chetwynd, Head of Assessment at Rockschoo, said: "To pass a Rockschoo examination is a significant accomplishment for any student.

"For a young candidate to achieve a Merit at Grade Eight is a wonderful achievement.

"I congratulate Phoebe, her teacher and her supportive Mum for their hard work and preparation – an excellent result.

"Phoebe is one of the youngest to pass Grade Eight with Merit and a Rockschoo grade is a true gauge of your musical ability."

Mum Marie said that she, Phoebe's Dad and family are extremely proud of Phoebe.

Marie added: "Phoebe has worked hard, as well as learning to play the piano, she has been passing her vocal grades since the age of seven, and her Grade Eight Merit is therefore so well deserved.

"It is also amazing that Phoebe now has 70 UCAS points towards university entry."

Since passing her Grade Eight and starting secondary school at Woodroffe, Phoebe has been singing for fun and doing some recording before she starts practising towards her Performance Diploma.

Phoebe has busked at Lyme Regis' Guitars on the Beach for the last three years, been a chorister for a day at Exeter Cathedral, performed on stage at several local shows as part of a group, sang solo on stage, opened the live music section of this year's Seaton's Great Outdoors Festival and sang Amazing Grace a capella at a family wedding.

Mum Marie and Phoebe praised teacher Sarah at Sarah Ryan Singing and Performing Arts, who they describe as "the most caring, talented, enthusiastic, hardworking and encouraging teacher".

Knitting for those in need

SIXTY shoe boxes packed with toys along with 60 blankets have been produced, packed and despatched by the craft group at Axminster's United Reformed Church.

Craft group spokesperson Jean Cleare said: "We want to thank all those who have been supporting us, with the gifts of wool, their knitting and their sewing skills, for their generosity, and commitment."

"We displayed all the blankets, together with the filled shoe boxes in the church and were able to pray for those who will receive them, and for all those involved in making them."

There has been a long tradition of knitting and assembling colourful blankets at the United Reformed Church for those in need. While some people donated surplus wool, others were only too glad to knit up squares.

Some were so enthusiastic that they were buying wool themselves, and then finding that members of their family and friends wished to knit too.

Jean explained: "Originally we sent the blankets to Tools With a Mission so they could be used to wrap recycled tools when shipped by container to projects in the third world. Once unpacked the blankets were much appreciated by the families who received them."

"When that charity no longer needed knitted items, we donated knee blankets to our local residential homes, but we thought that only so many could be used like that."

"Two years ago we discovered that charity Mustard Seed also welcomed knitted blankets for the children. "Lately, a small offshoot of the craft group has been meeting in Abbeyfield, and the residents there have been adding to our stock of squares."

Carols bring Christmas cheer

A RESOURCEFUL and mixed choir brought a touch of Christmas to Axminster Hospital's day room with a fine performance of carols. The choir consisted of Axminster Hospital League of Friends, ably supported by a team from Dalwood's Corrydale Singers. Hospital staff and patients were treated to performance which lasted just over 30 minutes on December 9th. Hospital chaplain Mary Harding led a short prayer after the concert.

ADVERTISER'S ANNOUNCEMENT

New Year, New Business at East Devon Business Centre

EAST Devon Business Centre is set to welcome its first new tenant of 2016.

The rapidly expanding local authority services business LGRC (Local Government Resource Centre) is taking up new office space at the Centre this month.

LGRC was established in 2014 and its three directors, Nick Randle OBE, Max Goodison and Stuart Wilbur, bring a strong combination of experience of local councils' needs as they provide best practice support services.

Mr Goodison said that location was key to their decision to move to the Business Centre, as well as the flexible space available to run seminars and training courses.

He said: "Honiton is ideal because the town is so close to the A30/303 and M5, giving us great access to and from the South West, South East, and North."

"The Centre suits the needs of a growing business like ours because we do have the option to occupy larger premises on the same site as the business grows."

"We also found that the contractual terms are straightforward and the support services offered – for example, back-office services, reception, and catering – are excellent and just what we need."

LGRC operate nationally and provide a range of consultancy, training and outsourced

services, including strategic and community engagement planning, evaluation of new service delivery proposals, organising and running tendering processes for key services and reviewing support resources and systems, including IT.

More than 60 small businesses have developed and grown at the Centre over the last 17 years, supported by an on-site team of professional staff. With easy-in, easy-out flexible monthly terms, the Centre also benefits from superfast broadband and free parking too.

Cllr Philip Skinner, East Devon District Council's Portfolio holder for Economy, said: "We are delighted to welcome LGRC to the East Devon Business Centre. We find that the flexible lease terms and the active business support that we offer gives confidence to small business owners taking that big decision to grow."

To find out how East Devon Business Centre can help your business shine in 2016, call the Centre on 01404 41719 and have a chat with one of the team, or email edbc@eastdevon.gov.uk

SOLID PERFORMANCE: The children put on an action-packed show

Children's new musical is greeted with success

AXMOUTH Children's Theatre (ACT) members were delighted with their new musical 'We Built This City (On Rock'n' Roll)'.

Written and directed by Malcolm Henty it told the tale of a run-down city, Vexas, in America which was badly in need of some sort of miracle to save it.

And that is just what it got, complete with a spaceship and alien visitors.

The first performance was in Axmouth Church as part of the opening of The Friends of Axmouth Church Christmas Tree Festival.

The sell-out audience was greeted with a warming glass of mulled wine courtesy of CFB Steam Boilers before viewing the spectacle of over 25 trees all lit up with a music theme.

This theme continued as the lights dimmed and Sacha, Imogen, Caitlin and Lilley opened the play with a beautifully haunting rendition of 'A Space-man Came Travelling'.

Euan, as narrator, kept things moving along as we met the city council consisting of Avie, Brendan and Kieran.

It was then time to meet the kids – played by Luca, Matt, Callum, Bex, Jessica, Sacha and Imogen.

As the music and dancing continued, a donkey – brilliantly portrayed by Luca who, along with Euan, performed a wonderful version of 'King of the Road' – entered the story.

Next came one of the highlights as amidst smoke and green lighting the spaceship crew of Lilley, Caitlin, Nieve and Isabelle emerged from their stricken craft. As they pleaded for assistance, out of the shadows stepped Elwin as Bill the Mechanic

who offered to fix the ship for them.

Having achieved this aim, his new-found confidence led him to unite everybody and let the council know they were not going to take any more of their nonsense and that they wanted their city back and of course, with the aliens' help, that's indeed what happened in the end.

The group also travelled to The Beacon at Kilmington for a second performance to help raise funds for the youth club there.

Mr Henty explained: "Having never performed there before, they were not sure what to expect but they found the large purpose-built stage very much to their liking and turned in a brilliant show for a surprisingly large and appreciative crowd."

For these shows there was a cast of 16 youngsters, with ages ranging from seven to 16.

ACT is currently working on its pantomime, to be performed in Axmouth Village Hall in February.

Cast: Josie – Callum Wood, Levi and Donkey – Luca Flint, Narrator – Euan Hartnell, Luke – Matt Real, Bill – Elwin Moss, Council Chairman – Brandon Jaycock, Council Treasurer – Kieran Jaycock, Council Secretary – Avie Moss, Mary – Bex Smitham, Joanna – Imogen Oldfield, Lizzie – Jessica Spiller, Melanie – Sacha Markham, Spacecraft Crew: Blob – Lilley Smitham, Gob – Caitlin Tooze, Crew – Nieve Hartnell, Crew – Isabelle Hilton, Understudy – Eleanor Sykes.

Backstage Crew: Lindsay (Stage Manager), Trudi, Beth, Samantha, Karina. Lighting and Sound – Jed and Howard. Hair / Make Up – Jessica, Bex and cast. Choreography – Beth, Imogen and cast.

Support for solicitors' charity of the year

AROUND 50 people from a range of East Devon businesses joined solicitors Bevis & Beckingsale and their chosen charity 'See The Future' for a festive lunch at Honiton's Deer Park Hotel.

The guest list for the event on December 10th included local surveyors, estate agents, accountants, lawyers and other businesses from hairdressers to auctioneers.

Guests were welcomed with a festive glass of mulled wine before a sitdown lunch, which included a talk by See The Future founder Leanne Greengrass.

A game of Heads Or Tails raised money for the charity, which pro-

motes awareness of eye conditions and supports research to prevent sight loss.

Bevis & Beckingsale's senior partner Mark Ollier, who compered the lunch, said: "Our Christmas gathering at the Deer Park has become an annual event in the local business calendar.

"As a firm, it's really important to us to be involved in the local community this is a wonderful way to help raise funds for our chosen charity while strengthening the strong relationships we've developed with all manner of businesses.

"We're already looking forward to next year!"

Leanne Greengrass (third left) gave a talk on See The Future at the Bevis & Beckingsale festive lunch

Rowing to recovery

HONITON based military charity, the Baton, is fronting a courageous attempt by four ex-servicemen – including two from Devon – to row the Atlantic.

The Row2Recovery team are competing in the Talisker Whiskey Atlantic Challenge, which consists of teams rowing more than 3,000 nautical miles across the world's second largest ocean.

The team, who will be carrying the charity's baton – their 'symbol of national conscience' – will head west from San Sebastian in the Canary Islands to Nelson's Dockyard in English Harbour, Antigua.

Once the race has started the teams will be on their own.

Baton founder Alan Rowe MBE said: "It is a privilege to have the team carry a Baton on this epic challenge.

"After having met them all I can say is, that if humility were money, these guys would all be multi millionaires.

"What super people to carry the Baton's Message of Conscience, epitomising the word 'fortitude' and showing us all that even after a devastating injury, life goes on; the injury not defining their life."

Mo' bros

HONITON Lions president Steve Guilbert (second left) has collected £500 out of a total of £2,000 made by Movember fundraisers at construction group South West Highways. The money, which goes towards prostate cancer and other men's health related charities, was raised by SWH employees collecting sponsorship for growing moustaches over the month of November.

Festival of trees

HAWKCHURCH'S five-day Christmas tree competition and festival attracted dozens of clubs and societies from all over the area, raising more than £1,000 in the process.

There were 39 entries in total, a record for the 11-year-old event.

One Christmas tree was made of copper piping, one arrived as a flat pack whilst another one was made from the contents of a stripped-down gearbox.

The trees had a theme chosen by the entrants themselves, with handmade decorations.

The winner was decided by popular choice, with everyone visiting the display entitled to vote for their favourite tree for £1 per vote.

Past winners have included a tree-shaped pile of footballs from Hawkchurch FC.

As always, the proceeds will be donated to the church maintenance fund.

Rob Smith and Carrie Southwell's entry C.H.R.I.S.T.M.A.S. came out on top, whilst Cohen Baulch's Jurassic Christmas won the children's category.

Organisers Jean Ransford and Hazel Cross are pictured above.

Colourful Christmas in Kilmington

KILMINGTON

Primary

School's Christmas Fayre was once again a colourful affair.

Trade was brisk in the village hall on Friday December 11th, with plenty of activities and at-

tractions to keep customers of all ages amused and busy, including face painting.

Santa pays a visit to Offwell

MEMBERS of Offwell Primary School PTFA have been throwing themselves into festive fundraising, making £1,000 in a short period of time.

The events provided

huge enjoyment for children, parents and staff.

The Christmas fair (pictured) was particularly popular as Santa Claus paid a visit.

Headteacher Anne Billington said: "The school is hugely appreciative of all the work done by our enthusiastic PTFA members who give their time voluntarily."

Community comes together for festival

THE whole community came together for Musbury Christmas Tree Festival.

Parochial church council secretary Kay Short, who organised the festival with church wardens Sue Irving and Ken Short, said: "We had trees with bells, penguins, shuttlecocks, footpath signs, photos of Musbury and its residents, farm scenes, Winter Olympic scenes and lots of angels."

The village school and the pre-school group also took part by making decorations for their trees.

Kay added: "The porch was a fantastic welcome to the church, with a life size Father Christmas and snowman. Refreshments were on sale and we held a raffle on the Saturday."

"Altogether approximately £700 was donated to church funds, for which we are very grateful."

New support group for grandparents

■ THE Devon Grandparents Support Group have just launched a new website.

There is also a Facebook page that is linked to the website and will enable grandparents and grandchildren who have been denied contact to access support with helpful links to further advice and help.

The lead up to the Christmas season is one of excitement, anticipation and joy for millions of parents and grandchildren.

If you are a grandparent who is not allowed to have contact with your grandchildren, the picture is somewhat different. The memories of happier times are tinged with sadness and regret.

Many grandparents will be sending cards and presents, not knowing if they will be received by the grandchildren or what they will be told if they do receive them.

Some grandparents will be accused of harassment and stand the risk of legal action against them, even arrest, just for sending cards and presents. This of course assumes that the grandparents know where their children and grandchildren are living. Many do not.

If you know someone in this position, please let them know about our support group. They will often feel lonely, isolated and extremely low at this time of the year, and it is important that they know they are not on their own.

Just sharing the pain with someone who has experienced a similar situation as your own, can be hugely beneficial.

You can find the web site at www.devongrandparentssupportgroup.co.uk

GLORIA & BERNIE LITTLE,
Trustees of the Devon
Grandparents Support Group

■ CHRISTMAS cards show snow scenes but they are becoming history. Daffodils and bees are out in Somerset and there are reports of strawberries growing in Cornwall!

The temperature in Honiton today (December 17th) is nearly 15°C which is good for saving on over-expensive fuel.

But sadly, this could be very bad for our planet. Cumbria and parts of Lancashire are under water with many thousands of homes and families affected and facing further flooding.

The people of the low lying Maldives and Pacific islands like the Marshall Islands, Kiribati and Tuvalu have started to leave their homes – for them a temperature rise of 2 °C is too much; they call for '1.5 to stay alive'.

The Parish Climate Change Conference predicted a rise of 2°C which means the December Honiton temperature could reach 17°C in years to come.

We all know this is far from 'natural'; we all know something is very wrong with

mother nature. So I have a suggestion.

Let us help nature by doing our bit in 2016 to save our planet.

Our New Year's Resolution should be to recycle more and save energy, tell politicians we prefer more natural energy – sun, wind and water, not nuclear and fracking – and above all peace.

No more wars. They cost the Earth.

Otter Nurseries: great customer service

■ MAY I through your paper offer my thanks to Otter Nurseries for their gesture regarding my Christmas tree.

Too often people get accused of not caring and lack of customer support but these people were brilliant.

I bought a tree from them which I took home in my car, cut the bottom off and stood in water as directed.

This was an expensive tree which was not supposed to drop needles.

When we took it into front room ready to decorate and extraordinary amount of needles showered down from it, so much so that when we held the phone up to the guy it sounded like rain.

Clearly it was wrong and they admitted this and offered to change it, but none of the 'if you bring it back, sir'; no, next day a van turned up from them with a choice of three trees, the cheery driver even modelled them for me to

choose one.

Having done so, he loaded the other tree on board and handed me some gift vouchers as a gesture of goodwill.

Who said customer service is dead? Well, it certainly is not with these people

They could not have been more helpful at what must be a busy time of year for them.

Excellent service, thank you.

West of England Laser Centre

Q. I HAVE a mole next to my nose which I have often thought about having removed. I am going on a cruise in August to celebrate my 50th wedding anniversary and wondered if I would be able to have the treatment before then?

A. Yes, you have plenty of time to have this treatment before your cruise. Initially you would need to come for a Consultation with our Surgeon on a Monday evening or a Wednesday afternoon at the Nuffield Hospital in Taunton. You can make an appointment by telephoning 01823 331773 or by emailing lasercentre@lineone.net. Following the consultation we can book you in for your treatment, usually within a couple of weeks, if you wish to go ahead.

Q. I have always wanted to have this done .. but always been a little nervous how painful is the treatment?

A. Please do not be nervous, this treatment is very painless and straight forward. Our Surgeon will inject a small amount of local anaesthetic into the area prior to treatment. The laser is very precise and targets only the mole itself and does not affect any of the surrounding skin. When the anaesthetic wears off you may feel a slight discomfort or stinging, this is fairly mild but if you do wish to take paracetamol this will help.

Q. During the cruise I will be exposed to the sun, will I still be able to do this following treatment?

A. We would always recommend using a high factor sun cream whenever you are exposed to the sun, especially on the treated area. You would need to wait 2 or 3 weeks for the skin to be fully healed before you go into the sun but the high factor sun cream will not only protect the more sensitive, treated area but will also help prevent further sun damage.

Beauty Spot or Mole?

Some moles are more attractive than others, if yours is bothering you, why not have it quickly and painlessly removed by laser?

Slimming World

Silver award makes Sharon a shining example!

A weight-loss expert from Honiton has won a sparkling silver award for the exceptional work she does in helping more than 100 people in the area to lose weight every week in one of her groups.

Sharon, who runs the Honiton Slimming World groups, has been given the 'Silver' status by the national slimming club because of her success in supporting local slimmers to reach their dream weight, improve their health and change their lives. The accolade is awarded to Slimming World Consultants who have 100 members or more in their group come back week after week because they're losing weight beautifully and wouldn't miss their weekly group for anything.

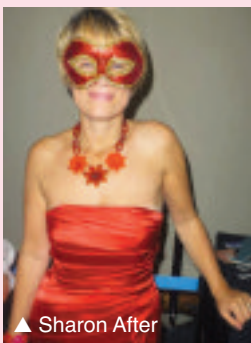

She says: "I am delighted to have received the 'Silver' award. I feel passionately about helping people to transform their lives by losing weight in the same way that I did when I lost 5st with Slimming World. Losing weight made me feel happier and healthier and gave me so much more confidence. I became a Consultant because I wanted to share that feeling and help other people to achieve the same success I had myself. Seeing the members in my groups – mums, dads, grandmas and young people too – reach their target weight is so rewarding and receiving this award is just the icing on the cake."

"This award belongs to the group's members. They're the ones who make our groups the success that they are, with their fabulous commitment, the wonderful support they give each other every week, and, obviously, their impressive weight losses while following Slimming World's Food Optimising eating plan."

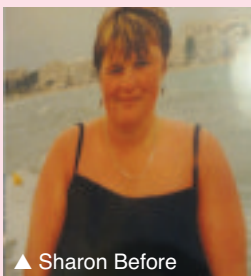

"The group has really put healthy weight loss on the map in Honiton. Together, they've lost an amazing 600 stone this year."

If Sharon continues her success for a number of months, she'll swap her Silver award for a Gold standard. She says: "I'm over the moon to have become a Silver Consultant and now I'm going for Gold, although I feel like I've already struck gold – I have a healthy figure, a fabulous job that I love and great friends in the world. I'm very lucky and I truly believe I have the best job in the world."

To join any of Sharon's groups, which are held every Tuesday at 5.30pm or 7.30pm and every Wednesday at 9.30am, either pop along or give Sharon a call on 07963337178.

Traditional Acupuncture

Val Davis

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

The Dynamic relationship between Stress & Bowen Therapy

To many times a week when treating people with Bowen do I discover that most of the conditions or symptoms they are presenting with are directly related to the amount of stress in their life and their relationship to that stress. Learning to manage stress in our everyday life can undoubtedly make a massive difference to our Health and well Being. Attitude, Mood, and Lifestyle. Why? because stress can have many adverse effects on our health, including Back Pain, weakening of the immune system, collapsed energy levels, poor digestion hence leading to many common conditions we see in people today. One of the first things that the Bowen works to do before real healing, repair and recovery can truly take place is to bring the person out of the fight and flight mode they are currently living in, to a place within that is much more aligned with Rest, Being, Sleep and Relaxation. This state is our natural state. The Bowen Technique directly addresses and affects the Autonomic Nervous system which is responsible for these fight and flight Vs restfulness, calm and peaceful responses within us. More and more people in society are living most of the time from this fight and flight response unable to make conscious choice to come from a different place within, it has simply become a mechanical and unconscious way to exist.

If this speaks to you then please take advantage of my offer below and give me a call today.

NEW YEAR

What's your New Year's resolution? *New You*

Podiatrist/Chiropodist Lindy Parry

I **HOLD** my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Wishing Well cancer support group talks/workshops for January

**Thursday 14th January
2.30pm – Citizens advice**

CANCER can totally change the financial circumstances of those affected by it.

Due to an inability to work, people can suffer a loss of income, while at the same time being faced with many extra expenses such as travel to and from treatment and paying for special dietary requirements. Relatives may also need to give up work in order to care for someone with cancer. Together this can put those affected under enormous pressure. Applying for benefit in these circumstances can pose a significant challenge.

Citizens' Advice can provide advice on welfare benefits to people affected by cancer.

They also ensure that people are aware of any grants that are available to help, and can provide advice on other issues such as debt, if necessary.

Citizens' Advice will be holding a question and answer style workshop for Wishing Well at the Axminster Health and Wellbeing Centre on **Thursday 14th January at 2.30pm.**

Come along, receive some answers and some help with the benefits you are entitled to.

**Thursday 28th January 2.30pm
Cancer rehabilitation exercise programme
taster**

Cancer and its treatments can cause physical changes such as reduced energy levels, fatigue, low mood and anxiety.

In the past, doctors have advised people to rest as much as possible during treatment but that has changed.

Evidence now shows that simple physical activity can reduce many of the side effects of cancer treatment and also the risk of recurrence in some cancer.

Being active during and after treatment can reduce tiredness and fatigue, reduce stress and anxiety, improve your mood and alleviate depression, help look after your heart and bones, help keep your weight healthy and improve your sleep patterns.

David Hall

FOLK • ROOTS • ACOUSTIC • JAZZ
BLUES • DANCE • THEATRE • FILM

DECEMBER proved to be a very busy and successful month for music gigs at The David Hall.

On Thursday 3rd we welcomed British Blues artiste, Martin Harley, for the first time. The evening started with a well-received support slot from young Cornwall-based female singer/guitarist, Kezia. This great set was a perfect warm up for the large audience who were instantly mesmerised by Martin Harley. Great material with Martins's great Bluesy voice and astonishing guitar playing made this a very special night. Martin will be with us again another time!

Friday 11th and Saturday 12th we had two sell-out nights with the wonderful St Agnes Fountain, who ensured that everyone was put in the Christmas spirit. This group's very individual take on carols and Christmas music, with much humour thrown in, was rapturously received. Christmas would not be the same without "The Aggies" so they are already booked for Friday 9th and Saturday 10th December next year. Early booking will be essential!

The final gig of what has been a fantastic year was on Saturday 19th when the "super group", The Dylan Project - fronted by the charismatic Steve Gibbons - entertained another full house. What a great night! No band performs the wonderful material of Bob Dillon in such a unique and top-quality manner. I intend to get them back at The Hall!

I must say that 2016 promises to be a very special year of music with a great mix of artistes who are new to us along with some who have been welcomed to The David Hall on several occasions.

January gets off to a great start with two of our favourites sharing the stage. They are Scotland's Bully Wee Band and the ever-popular Phil Beer. This gig is already selling well and promises to be another long-remembered night of music. When this combination performed for us in January 2013 it was not only a sell-out gig but an evening that is still talked about!

Formed in the 1970s, Bully Wee were known as one of the best Acoustic Folk Rock bands - and are still at the very top of their game. Phil Beer is of course a brilliant multi-instrumentalist and best known as one half of Show of Hands. I know this will be a great gig!

On Saturday 23rd we again welcome back to The Hall the North East's favourite son - Bob Fox. There will be a warm reception for Bob after his successful role as Songman in the award-winning West End

show, War Horse. Bob is a great singer/songwriter who is blessed with a really fabulous voice. His 2000 album, Dreams Never Leave You, is a classic and still one of my all-time favourites. It will be great to have Bob back with us!

January comes to a musical end on Saturday 30th with the second visit by the totally unique Bristol band, The Moscow Drug Club. A café-style atmosphere will be created to support the curious mix of musical influences when 1930's Berlin Cabaret, Hot Club de France, New Orleans and Gypsy Jazz, all meet. This five-piece are not only great musicians but really know how to entertain and perform!

I would like to thank everyone for their fantastic support throughout 2015 and wish you all a very Merry Christmas and a Happy New Year!

Looking forward to seeing you in 2016!

All the very best, **Pete Wheeler, Petherton Arts Trust**
May I take this opportunity to remind you that Petherton Folk Fest will be back on Saturday, 18th June. A date for your new diary!

Further events at The David Hall in January

Petherton Picture Show will present three films in January. On Friday 8th - Inside Out (U), a 3D computer-animated comedy-drama adventure produced by Pixar Animation; on Friday 22nd - Amy (15), the story of Amy Winehouse in her own words, featuring unseen archival footage and unheard tracks; and on Friday 29th, the documentary, Dark Horse (PG) - A rags-to-riches story about the racehorse, Dream Alliance. This film has had audiences from Wales to Robert Redford's Sundance Festival cheering on their feet.

The David Hall's popular monthly Coffee Morning will be on Wednesday 27th January, from 10am - 12pm - with real coffee and home-made cakes, book and bric-a-brac stalls and live music.

Performance Night is scheduled for Sunday, 31st January, at 7.30. All styles and forms of performance welcome - not just music. If you wish to perform, please email folk@chriswatts.org

For further details about any of the above please check the website, www.thedavidhall.org.uk, or call 01460 240 340.

VIEW FROM the beehive

IT WAS wondrous to have the Beehive thronging with folk coming to all sorts of diverse events from the Christmas dinner dance, sing-songs and parties in the bar, a special community Christmas lunch, two sell out showings of *The Lady in the Van*, two packed houses for *Defrosted*, several children visited Father Christmas and his Elf, all culminating with a fantastic, sell-out gig by Mad Dog Mcree.

With this fabulously busy run up to Xmas all of the staff and volunteers have had a well deserved break, to rest and re-fuel in readiness for a great 2016!

The Oscars will soon be upon us and we have some of the hot contenders for the top awards coming to The Beehive Cinema over the coming months: *Bridge of Spies*, *Love and Mercy*, *Brooklyn*, *Suffragette*, *Carol* and *The Martian* to name a few.

We are also excited to be having the Kenneth Branagh Theatre Live season coming to The Beehive too, beginning with the encore screening of 'The Winter's Tale', Shakespeare's timeless tragicomedy of obsession and redemption on Friday 8th Jan at 7pm.

On Saturday 16th January we have a special screening of 'Florence and The Uffizi Gallery' a wonderful guided tour of Italy's most renowned pieces for art lovers and students.

The brilliant, award winning, playwright/actor Pip Utton, returns to the Beehive on Sat 30th Jan with his extremely interesting, poignant and beautifully observed show about Charlie Chaplin's life in 'Chaplin', I thoroughly recommend it.

Delighted to have Mark Chadwick, lead man from The Levellers and one of the UK's most successful songwriters coming to perform on 6th of Feb. We are also thrilled to be hosting the opening concert on 'Show of Hands' next UK tour in April. These gigs, along with the return of Police Dog Hogan, in May and Rusty Shackle in April, will hopefully, be some of the highlights for our next year at The Beehive.

If you haven't tried out your local community centre, give it a go in 2016 See Peter Pan in half term or try out Line Dancing on Wednesdays, Le Roc, modern jive on Thursday evenings from 8pm is great fun and a brilliant way to get fit too!

There are monthly Folk and Acoustic café sessions, where you can come along and perform or just enjoy listening whilst you relax in the bar, a great introduction to the Beehive!

See you soon, Wendy Van der Plank

'Giant' panto is full of beans!

WHAT a lots beans there are in this year's pantomime from Axminster Drama Club, Magic Beans, Baked Beans, Runners Beans and Green Beans! Well actually the Baked, Runner and Green Beans are actually the children of the show are not definitely not edible! Yes with so many children taking part this year they have been split into three teams and will be doing different performances.

With so many talented children it's lucky that the adults of the cast are as brilliant as they are and always seem to come out on top. They say never work with animals or children but this is the exception to the rule as also in this production is a large Brown and White Cow.

In addition to Director Jack Price there is always the usual team of talented scenery painters, costume makers, stage crew and of course actors involved in this year's production not to forget over 40 young performers ranging from 7 to 14 under the control as always of club Chairman Sara Leat.

Tickets will be on sale at Archway Bookshop, Church Street, Axminster from 29th December with performance dates being Thursday 14th to Saturday 16th January with a matinee on Saturday 16th.

Edison's soul guitar

THE first jazz concert of the year at Ilminster Arts Centre features one of the most exciting new talents on the UK jazz scene. Edison Herbert is a highly accomplished jazz guitarist whose lyrical, accessible style draws on his guitar heroes Wes Montgomery, George Benson, Tal Farlow as well as masters of funk such as Nile Rodgers.

Edison came to critical notice

Edison Herbert

when he was performing with the Guildhall Big Band at Ronnie Scotts, and he was subsequently asked to join the Jazz Warriors. Edison has also worked with Randy Brecker, Clark Peters and Kim Burrell, and wrote the arrangements for the Olivier nominated West End show 'Unforgettable', as well as composing music for BBC Radio.

Edison's flowing rhythm and melodic lines are supported masterfully by the other members of the trio, who are Winston Clifford on drums and 'Level' Neville Malcolm on bass. Winston's drumming credentials are impeccable, and he has played with artists such as Courtney Pine, Bheki Mseleku, and the Ronnie Scott band. Neville Malcolm is one of the most in-demand bass

players in the country, having played with everyone from Gabrielle, Yusuf Islam, Tom Jones, Marlena Shaw and Gregory Porter. His profound groove and earthy, soulful playing give the trio all it could want in the bass department.

For this performance the trio will be easing the audience in to the New Year with an easy-going set that mixes well-known tunes and standards with some of Edison's elegant compositions, and showcasing a range that moves effortlessly from sensitive ballads to foot-tapping up-tempo numbers.

The Edison Herbert Trio play at the Ilminster Arts Centre on Friday, January 8th at 8pm. Tickets are £12 (a pre-show supper is available for £13, but must be pre-booked). For more details call 01460 54973 or visit www.themeetinghouse.org.uk

Get that funky Friday feeling

BATHED in neon lights and advocating fashion which should have been banned long ago, Mr Jean are the Lyme Regis go-to band for tight dance grooves, outrageous style and all out fun. From forgotten 70s Disco classics, to 90s French House and Pop into the modern day, Mr Jean will take you on a dance-floor journey until the only thing you have left is a sense of elation and cheer. If you've been deprived of serious night of dancing, let Mr Jean cure you.

The live performance will be followed by a guest DJ.

Mr Jean will play at the Marine Theatre on Friday, January 29th at 7.30pm, (DJ from 9pm). The bar will be open from 5pm. Tickets are £6 on the door. For more details call 01297 442138.

Pulman's Property View

Are you thinking of moving in the New Year? Hawksbridge Estate Agents would like to share their top tips

WE at Hawksbridge believe in helping our Clients in every way possible to sell their property and know that first impressions count. Please find below some of our top tips on preparing your property for the market:

Cleaning and decluttering – wash and clean all areas of the house, inside and out including walls and carpets. Air the house out, remove as much clutter as possible from rooms and furniture.

Minor DIY and repairs – try and remedy all the little repairs that need doing around the house. Fix the wobbly doorknob and fill in the chips in the wall. It will show the property is well looked after.

Brighten up – clean all windows inside and out, make sure all lights have working

bulbs. A fresh lick of paint can go a long way to transforming and brightening up your home.

Minimise personal items – you want the house to look homely but not cluttered. For example put all toiletries away in drawers and minimise family pictures, declutter the fridge door from pictures and magnets.

Less is more – remove any occasional furniture to really show off the true size of each room.

Hide everyday items – it can be a good idea to remove rubbish and also litter trays, dog beds, food bowls etc. some potential buyers might have allergies and could be put off.

Kerb appeal – make the front of your property look appealing. Fix fences and boundaries which are in disrepair. Cut the grass, weed the flower beds, power wash the patio. You want to give the best first impression.

Fresh flowers – use fresh flowers or a flowering plant. These will make the house

smell nice but also be inviting.

Bathroom – make sure it is sparkling. Toilet seat down and all mirrors and metal polished.

Hide the toys – make sure they are tidied away or in a designated 'play room'.

Create an inviting smell – Using scented plug ins or reed diffusers can give a property a nice homely smell.

Oil squeaky doors and hinges – squeaky doors can be irritating to a buyer and this is a quick improvement that can be made.

Consider time of day for optimal viewing – for example sun in the garden am or pm.

Create a warm atmosphere – Light fires/wood burners in winter and ensure central heating is on in the winter.

And last but not least, choose the right people to sell your property, Hawksbridge Estate Agents. We pride ourselves on being passionate, enthusiastic and entirely dedicated to ensuring that you achieve the best possible service when selling your property.

Best-selling Freelander 1 becomes latest Land Rover Heritage vehicle

- Hugely popular Freelander 1 becomes newest Land Rover Heritage vehicle
- Over 9,000 individual part numbers available for best-selling compact 4WD
- Rapidly became Europe's best-selling 4WD vehicle for five consecutive years after launch in 1997
- Land Rover Heritage specialises in cars, services, parts and experiences

PRODUCED between 1997 and 2006, the Land Rover Freelander 1 remains one of the brand's best-selling models and is now officially a Land Rover Heritage vehicle. Land Rover Heritage specialises in cars, services, parts and experiences for classic Land Rover models and the Freelander 1 becomes the brand's eighth Heritage model. The others are Series I, II and III, Range Rover Classic and P38 Range Rover plus Discovery 1 and 2.

A Heritage model is defined as a product that has been out of production for longer than 10 years and the Freelander 1 was first produced in 1997 and its production run ended nine years later in 2006 when Freelander 2 replaced it. Ever since pro-

duction of Freelander 1 concluded, Land Rover continued to support owners through the supply of spare parts. Now, owners will be supported by the brand's Heritage experts and ensure loyal owners continue to enjoy their vehicle for many years to come.

Over 9,000 individual Land Rover Heritage Part numbers are available for the Freelander 1 and it adds to the brand's comprehensive parts catalogue, which already features over 33,000 items for both Jaguar and Land Rover Heritage vehicles.

Stone veneers by Mulliner – the next level of modern British luxury

BENTLEY Motors' bespoke coach-building division, Mulliner, is introducing the next level of modern British automotive luxury – stone veneers.

This innovative interior finish utilises state-of-the-art stone veneer technology to make a luxurious, contemporary feature of a natural product formed over 200 million years.

The slate and quartzite stone is sustainably sourced from hand-selected quarries in Rajasthan and Andhra Pradesh, India – a nation with an ancient and rich culture of stone masonry. The sections of stone are split from larger pieces and cured using glass fibre and a bespoke resin. Finally, they are shaped and hand finished by Bentley's world-renowned Mulliner coachbuilding team at the company's headquarters in Crewe, England.

The stone surfaces of the veneers are just 0.1 mm thick, meaning that they are both extremely light and translucent, allowing the elegant grain and pattern in the stone to be visible to the interior occupants.

Geoff Dowding, Director of Mulliner Operations, comments: "Bentley is the established expert in the handcrafting of wood and leather, and now we are exploring new, fine and rare materials to offer even more bespoke tailoring and choice to our customers. Stone veneers are another first for Bentley – but only the beginning of what we plan to do with this luxurious and unique material."

Mulliner is now offering Stone Veneers in a natural finish, in four different colours on Continental and Flying Spur: Galaxy, Autumn White, Terra Red and Copper. As with any bespoke feature, customers that are interested in Stone Veneers can get in touch with Mulliner's bespoke team who will work with each individual to discuss their unique requirements.

Mulliner – Rare by Design

Mulliner exists to respond to the requirements of Bentley's most discerning customers. In the world of Mulliner, anything is possible. From requests as simple as monogrammed upholstery to the kind of elaborate tailored body modifications that can only be undertaken with the proven expertise of a truly established coachbuilder, the highly skilled and dedicated Mulliner craftsmen deliver luxury on a new level; rarity on a different scale.

Cup final abandoned after injury

New year deluge decimates opening fixture list

PERRY STREET LEAGUE DIVISION ONE CUP FINAL

DRIMPTON 1 HAWKCHURCH UTD 1
(at Misterton – abandoned 59 min)
SATURDAY'S Division One Cup Final was sadly curtailed after just 59 minutes after Drimpton defender Lee Banks suffered fractures to his tibia and fibula in his right leg.

The former Crewkerne Town captain climbed into a full-blooded, but fair, 50-50 challenge with Hawkchurch's Dan Richards and was left prone on the Unity Lane turf with his agony plain for all of the 100 plus crowd to see.

Prior to this the match had been an evenly balanced affair.

Drimpton went close inside the opening two minutes with a Simon Denslow header and a low drive from Barry Hayne both of which were saved well by Hawks' keeper James Mitcham.

But the Devonians replied with a string of decent chances with Gavin Herrod and Jon Turner both firing narrowly wide while Josh Short squandered two clear-cut opportunities.

But the first major incident of the half came in the 23rd minute when talented Drimpton centre back Josh Parsons won the ball in the crunching tackle on Short.

But experienced referee Mike Dobson deemed the challenge to be a foul to the surprise of both sets of players and awarded a penalty.

To his credit, referee Dobson, after being implored by the Drimpton players, went across to check with linesman Jeff Farley – who was perfectly positioned to

see the incident clearly – and the outcome was a corner kick.

At the other on Drimpton should have taken the lead on the half hour when Chris Rowsell latched onto a ball that skidded through the Hawks' defence but shot wide when well placed.

The deadlock was broken in the 35th minute when Hawkchurch top-scorer Gavin Herrod won a aerial duel and, as the ball dropped kindly, hooked a close range volley past Nathan Turnbull in the Drimpton goal.

But the lead lasted just six minutes. A cross from the Drimpton right wing was only half cleared and Rowsell atoned for his earlier miss in fine fashion when he coolly guided the ball high into the roof of the net from the edge of the box.

The second-half began with Hawkchurch going agonisingly close in the 48th minute.

Richards, who had a fine game pulling the strings in the midfield, cut in from the left flank only to be denied by a low save from Turnbull, the ball then ran loose to the waiting Jack Larcombe whose follow-up shot was hacked off the line by Parsons.

But the action was cut short by the sad injury and referee Dobson abandoned the match with an ambulance appearing 20 minutes later to whisk Banks off to Bristol hospital for treatment.

The local football family wishes Lee a speedy recovery.

The match will be replayed with the venue and date yet to be confirmed.

Drimpton: Nathan Turnbull, Wes Gullin, Lee Banks, Josh Parsons, Nick Murphy, Mark Pearce (Capt), Chris Rowsell, Gavin Tanner, Simon Denslow, Craig Lodge, Barry Hayne, Subs: Liam Adams, Callan Strelley, George Tuck, Chris Fry, Craig Studley.

Hawkchurch: James Mitcham, Brad Cross, Jon Turner, Simon Herrod, Jack Chapple, Josh Short, Dan Richards, Jamie Harris, Gavin Herrod, Ollie Pearce, Subs: Mark Herrod, Brad Pearce, Stuart Weir, Rowan Short.

A point for Popples

JUST one match in the entire Devon & Exeter league survived the extreme weather which was in Division Three where NEWTON POPPLEFORD shared a 2-2 draw with CHAGFORD.

Goals from home man of the match Adrian Parr and Mark Pavey earned the Popples their point, while Andrew Davis had both goals for the moormen whose star player was Ross Breally.

Popples manager Neil Wood and Cliff Cooper also earned top marks for getting the ground playable, although Wood was a little disappointed his team had not won he did feel the outcome was fair.

However, it was also a day of mixed emotions for Chagford who lost their popular long serving President David Watson who sadly passed away on Boxing day.

Although the League programme was smaller than usual one of the biggest shocks came from Beer Albion whose normally resolute Furzebrake ground was declared unplayable.

Secretary Roger Hoare said they had done their best to get the pitch operational, but even they had to concede defeat due to the incessant rain.

NEWTOWN have informed the League that they intend to apply to join the South West Peninsular League next season if they finish in a qualifying place.

It will be a big venture for the Newton St Cyres-based team who are currently enjoying their sixth season as a Premier side and are also leaders going into 2016.

Newtown have spent most of their existence in Senior football, since they changed their name from GOLDEN HART in 1978, their only season in Intermediate football was the 1983/84 campaign which saw them win the Intermediate One championship.

The club spent two years as the Golden Hart having been previously emanated from the WHEATONS SPORTS & SOCIAL CLUB team which had run for four years from 1972. That was in the days when current Exwick Villa chairman Clive Martin was a player, along with some other well known local names, Tom

Lewtas, Kelvin Board, Andy Wiseman, and secretary and referee Pete Webber, now a follower from his Spanish home.

However much of the value of Newtowns rise to the summit is down to long-term secretary Paul Kennard who occupied the role for well over 30 years until current secretary Jock Gill recently took over.

Pat McDonough, their current chairman, is also another big influence in the club, and he takes huge pride in what the club have established through the years.

Incidentally Wheatons did have a team for three years in the early 1930s, but it was not reformed then for another 40 years.

The Devon & Exeter League will this week inform all its clubs that they would like them to attend one of the three meetings affecting the Charter Standard and Respect.

These are being held in connection with the Devon County FA, and all Club secretaries and managers are invited.

The County state that these are important evenings, and your attendance as a club is expected if it is possible and all clubs attending will, as a minimum, receive a free first aid kit and match ball.

All current charter standard clubs attending will also receive their allocation of free Charter Standard Nike match balls for the 2015/16 season.

Clubs will get an option of which meetings they would like to attend and more details will be available on the website this week.

◆ The times are 7 to 9pm on the following dates:

Tuesday, January 26th (Wetheridge FC)

Tuesday, February 2nd (Topsham Town FC)

Tuesday, February 9th (Cullompton Rangers FC)

The meetings will look at Respect and Charter Standard (applying for or renewing the award which is mandatory for entrance into the league in 2016/17).

2nd in South West for Broadway's Paynter

BROADWAY based Rally Driver Bill Paynter topped off a fine year with a great result at the recent Regency Stages Rally near Shepton Mallet, claiming 2nd overall in the ASWMC Sealed Surface Rally Championship.

The Association of South West Motor Clubs championship is a hotly contested series including rallies from Cornwall to Wales with over 50 competitors taking part.

After taking 18 months out of the sport to build a new car for 2015, Paynter was quick to get back on the pace and was rewarded with a very successful year.

The 25-year-old said: "This result is more than I ever expected for the first year out in the new car. It's been really enjoyable and the pace keeps improving all the time."

With a fantastic six class podiums from eight events, and a 100 percent finishing record in the self-built Peugeot 106, the team look forward to getting into the forests next year as they make their gravel debut in February.

gravel tests ahead

"Going onto 'the loose' has always been in the plan. We have a learning year ahead of us but hope to build the pace as quickly as possible."

Paynter wished to thank co-driver Andy Hollingham, Scott Barnes, Charlie Bole, Gary Le Coadou and Penny Rix for all their help, as well as sponsors Hilka Tools for their support during 2015.

If you would like to be involved with the team in 2016, and can offer any support please contact Bill on email bill@bprally.co.uk.

Uplowman were up against JD Tyres and although the latter worked hard and scored well Uplowman still triumphed 47-20.

Vicky Charming for Uplowman and Tanya Broom

Stone causes a splash

HONITON Running Club members took part in Axe Valley Runners' AXMOUTH CHALLENGE last Sunday.

The days before the event had been extremely wet and some runners struggled to get to Axmouth avoiding flooding roads. Of course, this meant that a race which is traditionally muddy and wet was even more so and the race director made a last minute route change avoiding a particularly slippery steep field taking runners towards the finish.

The 10 miler was won by AVR's own Jake Smith in 57 minutes 43 seconds. Honiton's Chris Entwistle followed not too far behind in 1:11 place in 1:08:08. Steve Davey was second in his category coming 18th in 1:15:02. He had been swapping places with Mark Dallyn and Tom Borne throughout the race and Dallyn finished 28 seconds and a place behind Davey. Borne finished in 1:15:48. David Hawker had a fantastic race finishing 28th in 1:19:48. Howard Bidmead was 36th in 1:21:55 just ahead of Honiton's first lady back, Judy Davey, who finished in 1:23:42.

Tim Wigram ended up 40th in 1:27:43 with Jo one place and 13 seconds later. Richard Terry who finished in great style in 50th place in 1:34:17. There were 59 finishers.

Honiton Junior, Jasmine Stone, took part in the three-mile race finishing 2nd overall and first female in 27:44. Her brother, Harrison, tackled the one mile event which turned into two as he was sent the wrong way. This made his finishing time of 20:34 quite a bit more impressive than first thought.

If you are interested in running, Paul and Jo Lowman are starting a beginners course on January 13th at 6.40pm at Honiton Community College. Just turn up or contact Paul on 07764308627.

MILFORD & DORMOR WEEK 11: Canaries 16 Greyhounds 13, Trull 8 Hurricanes 20.

Canaries started well against Greyhounds, but then stalled. Greyhounds gave them a scare by getting a hotshot which made it 14-12 before eventually going down 13-16. Trull and Hurricanes were evenly matched and after 10 ends the score was 8-8 all. Then it all went wrong for Trull.

Week 12: Harlequins 14 Hurricanes 9, Greyhounds 11 Trull 12, Canaries 10 Musbury 11.

AFTER a slow start Harlequins caught up at the halfway stage the score was 5-5. Then they took five shots on the next end and led 12-9 going into the last end.

Hurricanes might have sneaked a draw or even a win but Harlequins took two shots to continue their winning ways.

Greyhounds took control early on against Trull and led 11-8 going into the last end.

Trull were holding three when Greyhounds skip's last bowl just nudged one of the opposition's bowls in to, not out of, the head!

Canaries fought hard to catch Musbury and nearly did. At the start of the last end it was 9-11 against Canaries.

Canaries skip had the last bowl of the match, and they were holding one but needed two to draw. It hit the right bowl but didn't manage to move it.

HONITON by Julie Grant

Then in the new year there was a 39-68 loss at EXONIA with the best for Honiton being David Tooley, John Munslow, Richard Chapple & Di Morley 16-18.

The ladies had success in their first match in the county Top Club with an emphatic win in all five events against BUDLEIGH SALTERTON.

CRICKET ST THOMAS

with Bert Robinson

A CLOUDY Monday morning recently greeted the Seniors for the second round of the WINTER LEAGUE programme.

Forty members were present for this 4Ball Better Ball competition held over eight rounds with the best six rounds to count. Although the weather was dull, the rain mainly kept away and scores in the high thirties were expected. Roger Stone & John McOmish set the pace with 38 points.

This was matched by Brian Marsh & Mike King, and bettered by one point by Nick George & Brian Anderson who finished with par scores on the last four holes.

Meanwhile, 24 Seniors formed eight teams of three on Wednesday to play a two from three BOWMAKER tournament.

The threatening rain held off for of the day enabling the players to return some reasonable scores.

Way out ahead were Norman Markby, Des Denning & Stuart Pope who scored 70 points which was enough to beat Paul England, Robin Flower & Bill Hilson by four points, having returned the same score as John Pearce, Keith Branchflower & Peter Spencer

Twenty four Seniors attended the three-man 'HASSLE'. Muddy conditions made heavy going when the winners were Keith Branchflower, Martin Leigh & Peter Spencer (61.33). In second spot were Brian Anderson, Colin Ireland & Bill Hilson (62.83).

The Mens section played their Christmas Stableford competition, 1st with 34 points was Nigel Garwood and 2nd was Craig Trivett with 33. Steve Anning scored the on 2.

Winning run ended

Chard A 0 West Dorset A 2

THE Chard 2nd XI's four-game winning streak came to an end in this re-arranged fixture.

Although a squad of 14 were available, this included an unfit Jason Goddard - who played little more than five minutes - and James Spurdle donning the keeper's kit. Another notable absence was Dan Stone at centre forward.

For the first 20 minutes Chard had the upper hand even though they were unable to carve out clear scoring chances against a resilient West Dorset defence.

Harry Felgate had an outstanding first half, winning back possession when the ball was lost and generally dictating the shape of the game in the middle of the pitch supported by a battling performance from Chris Knight.

West Dorset's main line of attack relied upon an aerial bombardment, the ball being launched from deep in their own half often to beyond Chard's 25 metre line.

This tactic posed some problems for the back four but when the visitors took the lead on the 25-minute mark, it was against the run of play.

Captain Gareth Eggle rang the changes with rolling substitutes and a different formation from early in the second half, adopting a midfield role himself. But scoring chances remained hard to come by.

Spurdle made a number of vital saves but was powerless to keep out a flick shot from one of the penalty corners West Dorset earned from a period of concerted pressure on Chard's D.

Thanks to umpires Jim Sainsbury and Gary Wheaton.

Chard: J Spurdle, A Critchley, T Eames, L Young, S Mahoney, H Felgate, G Eggle (capt), C Knight, T Cooper, K Wheaton, N Parkinson, H Denning, D Cooper, J Goddard.
